Owner Ben Scholl Photos, April 2024-Present

Freelance photography specializing in portrait, sport, and automotive photography and videography. Includes use of Adobe Suite (Premiere Pro, Photoshop, Lightroom), social media marketing, and website design.

COLLEGE & CAREER GOALS

I plan to pursue a bachelor's degree in business, building on my current involvement in leadership and career-focused student organizations. My involvement with groups like FBLA has strengthened my school community and has also helped me grow as a person and student. I enjoy the collaboration, creativity, and challenges these experiences offer, and I intend to stay involved in similar organizations throughout college. Long-term, I aim to lead in the business world and eventually further my education by earning an MBA.

TECHNICAL SKILLS

Advanced skills in Microsoft Suite along with being proficient in Adobe Photoshop, Premiere Pro, Lightroom and XD. Also have knowledge in general technology areas. Intermediate to advanced knowledge and skill in photography and videography.
